WHAT IS THE COMMITMENT?

- Meet weekly as a Discipleship Group (60-90 minutes). When unable, you will stay involved through sharing H.E.A.R. Journals and prayer request, through text or email.
- Commit to the five weekly disciplines (Bible Reading, H.E.A.R. Journals, Scripture Memory, Accountability, and Prayer.)
- Contribute to a group atmosphere of confidentiality, honesty, and transparency.
- Pray weekly for fellow Discipleship Group members and those in your life who don't know Jesus.
- Look for opportunities to hang out with each other outside your weekly meeting. Examples include serving together quarterly at Community Missions outreaches, joining the same Life Group for 8 weeks or getting together for a BBQ with your families.
- Pray and look for those in your life who you could invite into your new Discipleship Group once this current group multiplies.
